

THE CENTER FOR THE HEALING OF RACISM

In Recognition of

Interracial Relations & Learning Day

Presents a screening and facilitated discussion of

“None of the Above”

None of the Above is a documentary about people of mixed racial heritage based on the filmmaker's own search for identity and community. Ms. Andersen, whose mother is (Asian) Indian and father is Danish American, explores her "own personal hang-up" by finding others in the same ambiguous category. Through her journey into the multiracial world we are given an inside view of the emotional reality of what it's like to be racially unclassifiable in a society obsessed with race. Directed by Erika Surat Andersen, USC. Source: Filmmakers Library
